

## Directory of Indian insect, spider and mite taxonomists

This is a compilation of Indian insect / spider / mite taxonomists willing to offer identification services free or on payment. This is not a complete list of all practicing Indian taxonomists and only those who positively responded to our request to offer their services have been included. Those who have not been included in this directory but are willing to join us in this endeavour may kindly contact us.

### Note:

1. Those seeking the services of taxonomists listed here are requested to obtain their consent before dispatch of specimens.
2. The right to retain specimens is the prerogative of the concerned taxonomist.
